

Sustainability team events

Learn, reflect and get inspired

The concept

Set in iconic locations across Switzerland, our workshops help organisations align on the importance of sustainability transition and inspire change. The focus is placed on the following aspects:

- Align on the key sustainability challenges.
- Learn about their impact on business models.
- Identify opportunities for your organisation.

The workshop includes theory and practical exercises (individual and in groups) based on real-world examples and your own organisation.

Why choose Intently events?

Engaging

We design our workshops and events to not only educate but also engage through interactive and dynamic delivery methods.

Customised

We make our best effort to understand unique situation of each of our clients and customise our events accordingly.

Creative

We apply creative approaches, designs and communication methods to capture attention and inspire change.

Agenda
